

Science

In science we will be learning about seasons. We will talk about how the earth rotates around the sun and learn about how and why day length varies throughout the year.

Computing

In computing we will be making digital art using the 2Paint programme on Purple Mash. If you would like to log in to Purple Mash at home, contact your teacher for details.

Music

We will continue our music lessons on Charanga where we will be learning the song *In the Groove* and looking at different styles of music.

Learning Superpowers

This term we will be focusing on the two new skills of **concentrating** and **collaborating**.

Exploring Space

History

In History we will be learning about the first moon landing and will listen to some memories from people who were alive at the time. We are also super excited for our annual visit from The History Van where we will be learning all things space!

Maths

In maths we will counting, representing, ordering and comparing numbers to 20. We will then learn to add and subtract numbers within 20 using objects, pictures and then on the numberline.

PE

In PE this half term we will be looking at different dances and will be using our bodies in different ways to music. We are also looking forward to our upcoming sports festival.

PSHE

In PSHE we will be thinking about our health and wellbeing. We will talk about the importance of healthy eating, physical exercise, rest and dental health.

Religious Education

During our RE day, we will be thinking about the big question: *Who is a Christian and what do they believe?* We will be retelling stories from the bible using words, drama and pictures.

Art

In Art we will be using paint to mix and create new colours. We will be looking at Van Gogh's *Starry Nights* and how he created his wonderful skies by mixing a rainbow of colours.

Literacy

This term we are going to look at some out of this world stories such as *Interstella* *Cinderella* and *Laura's Star*. We will also be working in our reading and writing groups, practising our decoding, handwriting and spelling skills.
