RE

In RE this term we will be thinking about, 'who are Christians and Muslims and what do they believe?' We will also learn to retell the story of, 'The Prophet and the Ant' and will consider why people celebrate special times like, Christmas and Eid-ul-Fitr.

Music

In our music lessons we will be learning to keep a steady beat and will be learning to perform, 'Hands, Feet and Heart', by Joanna Mangona on the xylophone and by singing. We will also be practising for our nativity.

PE

In PE we will be focussing on practicing some key skills such as running, jumping and catching through our fundamentals topic. We will also be learning new skills in our dancing unit.

Computing

We will be learning what technology is and how it helps us in our day to day lives. We will also be naming the parts of a computer and will be learning to

Dear Parents and Carers,
Our new topic, which will run until Christmas is, 'Beautiful Buxton'. Here is an overview of what we will be learning about in each subject. If you have any questions, please speak to one of the team.
Many Thanks
The Year 2 Team

Beautiful Buxton

Reading

Please remember to read with your child at least three times a week and encourage your child to remember to change their book.

Literacy

In Literacy this term we will be thinking about 'Overcoming a Monster' stories and trying to write good sentences with cursive handwriting.

Maths

In our maths this term we will be focussing on basic number work such as place value of numbers to 100 and writing numbers in words and numerals.

History

In our History this term we will be learning about the famous Crescent building and how it has changed over time.

Geography

In Geography we will be learning to locate Buxton and our address on a map of the UK and the world. We will then look at a map of school and the playground and learn about how symbols represent different things on a map.

Art

In our Art sessions we are going to be looking at Barbara Hepworth's Sculptures and will be creating our own out of modroc.
We will also be printing in the style of Henri Matisse.

Design & Technology

This term in D&T we'll be cutting, chopping and peeling different fruits to create a fruit crumble for a friend.

Science

In Science we will be learning about animals and their habitats. We will find out which animals are suited to different habitats and why. Please see the Knowledge Organiser for more information about this topic and useful vocabulary they will learn.
