Dear Parents,

For the past two years we have used the Letter-join handwriting scheme in school to help us teach cursive handwriting. To support your child with this we now have a home log in to the Letter-join website so that you can help your child to practice their handwriting skills. The log in can be used on iPads and tablets as well as desktop and laptop computers.

Once logged-in, you will be able to watch how to form all the letters of the alphabet using the same style that we use at school. You can then trace over the letters and words on your tablet and print out the worksheets from your PC for real handwriting practice.

We are limited to the number of users who can log in to this account, so please only log in with this username and password/swipe code for your own personal use.
