

02 May 2018

Dear Parents and Carers of Year 2 children,

Transition to Buxton Junior School

This year we have again arranged a programme of events to help your child with the move up to the Junior School. Our Yr2 children will be having an orienteering afternoon with the Yr5 children on **Wednesday 16th May** and we will be arranging a Yr5 buddy for them who we hope will be a 'friendly face' in Yr6 when the new school year starts in September. These buddies will be giving them a tour of the school on the afternoon of **Thursday 7th June**.

Next term Year 3 teachers from the Junior School will be coming to our school to get to know our Year 2 children and teach them on the following mornings:

Wednesday 27th June

Thursday 28th June

The children will then take part in these events:

| | | |
|---------|------------------------------|---|
| 29.6.18 | Activity morning at BJS | Your child will need to be dropped off in the Junior School Playground for 9AM . We will be walking back to Buxton Infants for lunchtime. |
| 11.7.18 | Morning in new class & lunch | Your child will need to be dropped off in the Junior School Playground for 9.00 AM. They will spend the morning in their new Y3 class and then have lunch (either their own packed lunch or a school dinner). Our teachers will arrive at 1pm to walk them back to our school. |
| 17.7.18 | Disco | A special transition disco will be held at Buxton Infant School for Y2 and Y3 pupils from 5-6 pm. |

If your child will be moving on to a different school or is likely to miss any of these events please let Mrs Bennett know so that we can try to make alternative arrangements for them. If you would like any more information about transition please do not hesitate to come in and ask.

Yours Sincerely

Sarah Bennett
