Dear parents/carers,

Thank you for sending your child to ECO Club on Friday. We hope that they enjoyed their first session. As you will have noticed, we were very popular and had many children to take care of! While we are delighted to have had so much interest, after careful thought, we feel that we will be able to offer a better quality experience if we divide the group in two. So from next week, we will be alternating years One and Two weekly. Please note the dates on your calendar and we will also send out a reminder on the app.

Thanks very much for your understanding,

Mrs Bridges and Mrs Bates
