Dear parents/carers of year 1 and 2 children,

On Monday from 3.15 until 4.15 I will be running Purple Mash computer club in Starfish classroom. The children will be learning lots of great skills including word processing, animation, 3D modelling, programming and lots more. If your child would like to attend then please fill in the form below and return it to the office or your child's class teacher. Purple Mash will start next Monday (10<sup>th</sup> September). Also please note that due to the number of laptops we have available, places are limited and priority will be given to Y1 children and Y2 children who did not attend last year. We will let you know if your child has a place for this term, but please remember that you are free to log in and use purple mash at home.

Many Thanks,

Miss Fry
