Dear Parents/Carers of Year 1 children

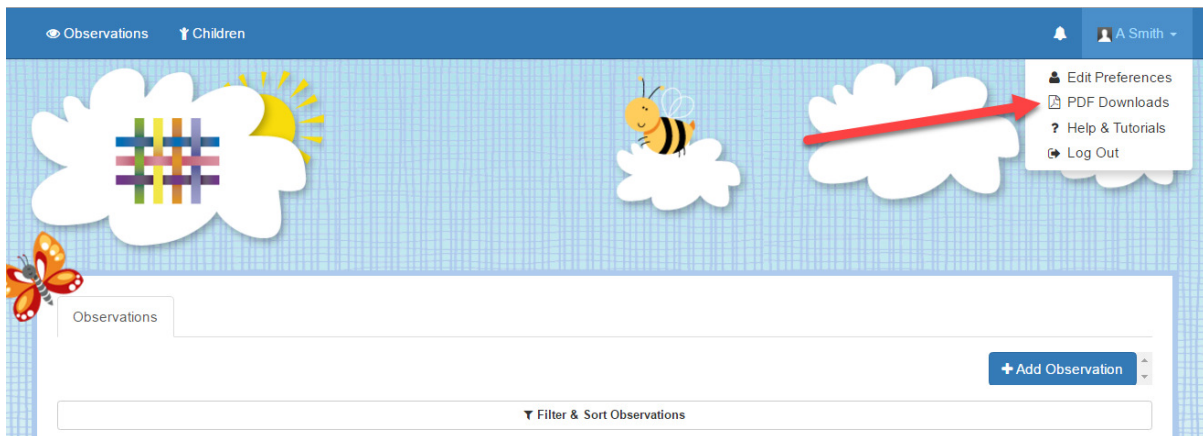

In Rainbow Fish last year, your child had a Tapestry Learning Journey. This system is not in use in year 1 but you can download the files as a PDF from last year. These files will be available to download until the 25<sup>th</sup> September.

Please note that PDF downloads are not available on the app version of Tapestry and you may need to download a particular app, such as Adobe Reader, to view them on your mobile phone or tablet.

### Step 1:

Log into Tapestry using the web browser version through the Tapestry login page at <https://tapestryjournal.com/>.

Step 2: Click on your username at the top right of the screen and select 'PDF Downloads' from the drop down list.

Step 3: On the PDF Downloads page you should see all downloads you have available. Click the red Download button to download your PDF.

Step 4: Save the downloaded PDF somewhere safe. It is only available for 7 days after being created so don't delay downloading your child's learning journal if possible.

If you have any problems or would like a little help or support, then please come and find Miss Mason in Green Sea. There is also a tutorial available on Tapestry. To access this, click on your username and select 'Help and Tutorials'.

Many Thanks, The Rainbow Fish Team
