Dear Parent/Carer

Year 2 Trip to Manchester Museum of Science and Industry

As our Project theme for this term is 'Inventions', we thought this would be an ideal time for Year 2 to visit Manchester's fabulous Museum of Science and Industry! We will be specifically looking at the transport exhibits and anything to do with inventions. We will also use it as an opportunity to focus on the 'Working Scientifically' aspect of the Key Stage 1 Science curriculum. This part of the curriculum is taught alongside all our scientific themes and includes beginning to learn such skills as asking simple questions and recognising that they can be answered in different ways, making observations and using simple equipment, performing simple tests, identifying and classifying, and gathering and recording data to help in answering questions. This will include spending some time in the amazing 'Experiment!' Gallery, working and playing on the museum's practical, hands-on experiments and investigations.

The trip will take place on Thursday 21st November. We plan to leave school at exactly 9.00am, so please bring your child in to class anytime after 8.45am and no later than 8.55am. To give us just a little more time at the museum we will be returning to school a little later than usual, at 3.30pm.

Entrance to the museum is free, but we have to pay for the coach travel, so we would be grateful if you could make a donation of £9.50 toward the cost of the trip.

School will provide a packed lunch or you can provide one yourself if you would prefer. Children should wear their red school jumper and suitable shoes for walking around the museum. They will also need to bring a backpack to carry their lunch in.

There is room for a small number of parent volunteers to accompany us on the trip, so if you think you are available to help out and have a completed DBS check then please let your child's class teacher know as soon as possible.

We would be grateful if you could fill in the consent form below and return it to school, along with your donation, by Friday 15th November.

Thank you for your cooperation and support

The Year 2 Teachers.

Year 2 Trip to Manchester Museum of Science and Industry.

I agree to my son/ daughter _____ participating in the trip to Manchester Museum of Science and Industry on Thursday 21st November. I enclose a donation of £9.50 toward the cost of the trip.

My child would like a school packed lunch with a: Cheese Ham Egg Tuna sandwich.
